

Dear Parents of Rising First Graders,

Summer reading- it's important! Research shows children who read over the summer are better prepared for the coming school year and do not go down the "summer slide"- the loss of reading and learning skills during summer break. Reading over the summer really does make a difference to your child's learning. Not to mention- reading should be fun! Our goal is to create enthusiasm and excitement for our students to become life- long readers!

The following is our First Grade Summer Requirement:

- Complete at least 5 activities before summer is over.
- Parents fill out the Reading Log and return it to school by August 18th, 2023.
- This Reading Log will be recorded as a Grade.
